We hope you are enjoying the signs of Spring!

The children of Littleham Primary school have been finding ways of making people in isolation smile. They have been emailing in, letters, poems, drawings, and jokes. I hope they make you smile.

Dear Friend,

I hope you are not sad and you are keeping safe in your house. I have been jumping on my trampoline, playing with my brother and doing my homework. I have been going on my computer and have been playing online with my friends. This has kept me busy and happy. What have you been doing to keep busy?

**How do you
get a tissue to
dance?**

*You put a little
boogie into it!*

Dear Friend,

I hope you are not sad. I hope this might make you happy. I have been playing Roblox on my computer, I have done loads of art and have done all my homework. I have been watching wrestling and playing with my brother in my back garden. I have also played with my neighbour's cat because he's been lonely as his brother died so I've been trying to make him happy. He likes his belly rubbed and cat treats. I like watching the sunset because you see all the different colours and I like seeing it go dark.

Sunset over Exmouth Estuary

Dear Friend,

I have been playing Roblox with my brother. I've been playing on my bike in the back garden and sometimes in the paddling pool with my pink swimming costume. What have you been doing to keep busy? I have also been helping daddy Hoover up and cleaning the sides. I hope you are not grumpy but keeping happy!

What did one
toilet say to the
other?

*You look a bit
flushed!*

Dear Friend,

I have been coming into school still. Yesterday, I did some colouring, cutting and playing dominoes. At home, I have been folding up clothes, tidying my bedroom and playing babies with my dolls. I washed them, dressed them and then put them in a pushchair. Thank you all for loving.
